

## High-quality ECG testing that fits your practice and your budget

Introducing the simple, affordable Welch Allyn CP 50™ electrocardiograph.

Get the power of a fully-featured ECG in a compact, affordable, easy-to-use package with the new Welch Allyn CP 50 electrocardiograph. With simple, one-button operation, the CP 50 makes performing ECG tests easy for trained caregivers of all skill levels. And with advanced features like a full-color, touch-screen display, high-resolution thermal printer, and a full range of EMR connectivity options, the CP 50 gives you the options your practice needs at a price that fits your budget.

EASY TO USE

### Touchscreen Display

Facilitates one-button operation, guiding you through each test quickly and easily.

EASY TO FOLLOW

### On-Screen Instructions

Saves valuable time and ensures accurate data capture by highlighting poor signals and connections.

EASY TO READ

### Programmable Report Formats

Prints reports in the format that works best for you with a high-resolution thermal printer.

# Send your practice and your data wherever you need with the Welch Allyn CP 50 ECG
